

For lettering within this panel refer to drg 15982 (Sheet 1)

Both sides of wagon treated thus unless otherwise noted.
 All lettering to be white on a black background as shown except where otherwise noted.
 Lettering positions on underframe may vary slightly to allow bolt & rivet heads to be cleared.
 9" x 9" white patch indicates location of handbrake

VEHICLES FITTED WITH HAND WHEEL BRAKE

This drg. supersedes drg of same number dated 9-5-33
 For EX wagon refer to drg 7770-72
