H. J. GREEN, GOVERNMENT PRINTER, MELBOURNE.

GENERAL NOTES.

This Index to the Working Time Tables is to be retained for reference and kept up to date in accordance with amendments appearing in Weekly Notices from time to time. It will not be printed with each new issue of the Working Time Table.

Any member of the Staff noticing a variation existing at any station of the details shown herein, and which has not been covered by Weekly Notice instruction, should promptly bring the matter under the notice of the District Superintendent or other District Supervising Officer concerned, so that the Superintendent Train Services may be communicated with and the necessary amendment to A.150/38 be issued.

Includes Weekly Notice amendments to W.N. 2/38.

REFERENCE NOTES.

Mileages.—The station mileages shown herein are recorded as from Melbourne on the following basis :—

- From Spencer-street .. Northern, Midlands, Western, South-Western, North-Eastern, and all Suburban lines running toward those sections.
- From Flinders-street .. Eastern and South-Eastern lines, also Suburban lines radiating from that station.
- From Princes Bridge .. Reservoir and Whittlesea line, Heidelberg and Hurstbridge line. Station mileages on these lines are marked by symbol *.

Note.—The distance between Spencer-street and Flinders-street over the viaduct is 1 mile.
