VICTORIAN

RAILWAYS

DIRECTORY of STATIONS

(Also includes particulars of sidings located outside station limits)

For particulars of sidings located within station limits, see

Goods Rates Book No. 29, Volume I.

CONTENTS

	Pages
General and reference notes	2, 3
Stations, accommodation and facilities	4-54
Ticket nippers	55
Lines, description of	56,57

(NOT TO BE ISSUED TO THE PUBLIC)

GENERAL NOTES

This directory A. 876/77 contains amendments to Weekly Notice 36/77 inclusive, and is to be retained for reference and kept up to date in accordance with amendments appearing in Weekly Notices.

If any detail in this directory is found to be at variance with the existing facilities at a station, such variation, must be promptly brought under notice of the Manager, Passenger Operations so that the necessary amendment may be published.

REFERENCE NOTES.

Symbols:

- (G)—These stations are open for goods of all descriptions.
- (P)—These stations are open for passenger traffic.
- (e)—These stations are open for goods not requiring shed accommodation, such as sawn timber, firewood, stone, oats, chaff, &c., in wagon loads (minimum 3 tonnes) at owner's risk (see page 192, Goods Rates Book, for conditions and exceptions).
- (b)—Stations so marked are open for goods not requiring shed accommodation in wagon loads, minimum 3 tonnes inward, 6 tonnes outward (see page 192, Goods Rates Book, for conditions and exceptions).
- (c)—These stations are open for:
 - (i) Goods in wagon loads inward and outward (minimum 3 tonnes) not requiring crane power unless the approved guarantee (see General Conditions, Goods Rates Book) is lodged with the consignment note;
 - (ii) Small consignments. The mass of any one package must not exceed 250 Kilograms unless the approved guarantee (see General Conditions, Goods Rates Book) is lodged with the consignment note.
 - (iii) Parcels. The mass of any one package must not exceed 250 Kilograms.
- (cc)—Goods in wagon loads inward and outward (minimum 3 tonnes) not requiring crane power unless the approved guarantee (see General Conditions, Goods Rates Book) is lodged with the consignment note.
- (d)—No siding accommodation. No consignment weighing more than 500 Kilograms or single package weighing more than 250 Kilograms is to be accepted.
- (e)—Goods, parcels, etc. Inward must be prepaid—all outward to pay (see Station Accounts Instruction).
- (f)—Open for inward goods of all descriptions, outward goods in wagon loads, loaded for one destination only, on which a minimum freight charge of 6 tonnes is applicable.
- (g)—These stations are open for goods not requiring crane power and the mass of any one package must not exceed 250 Kilograms unless the approved guarantee (see General Conditions, Goods Rates Book) is lodged with the consignment note. **Outward** goods must be in wagonloads loaded for one destination only, on which a minimum freight charge of 6 tonnes is applicable.
- (h)—These stations are open for **inward** goods of all descriptions, **outward** goods in wagonloads loaded for one destination only on which a minimum freight charge of 6 tonnes is applicable and **outward small goods** per the departmental road pick-up service.
- (j)—These stations are open for goods not requiring crane power and the mass of any one package must not exceed 250 Kilograms unless the approved guarantee (see General Conditions, Goods Rates Book) is lodged with the consignment note. **Outward** goods must be in wagonloads loaded for one destination only, on which a minimum freight charge of 6 tonnes is applicable and **outward small goods** per the Departmental Road Motor Pick-up Service.
- (n)—These stations are open for receipt of light goods **Inward** per the Departmental Road Motor Service subject to a maximum mass of 500 Kilograms per consignment and that no individual package exceeds 250 Kilograms. Not open for the despatch of goods **Outward**.

At all stations where crane power is not provided the Mass on any one package must not exceed 250 Kilograms

Symbols (Cont'd)

- H.P.D.—High loading platform (Departmental) for tipping bulk products into rail wagons.
 - H.P.P.—High loading platform (private) for tipping bulk products into rail wagons.
 - B.G.—Victorian Broad Gauge 1600 m m.
 - S.G.—Standard Gauge 1435 m m.
 - M—Area mobile crane available. Information in brackets refers to the maximum capacity in tonnes of the area mobile crane, and the name of the station where the crane is based. Telegraphic advice, including description of goods, consignee, wagon number, date and train of despatch, maximum mass of heaviest lift and any unusual dimensions, etc., to be given by the sending station to the destination station and the crane station, as early as possible.
 - (k)—Road Weighbridge.
 - (m)—"Combined" Weighbridge i.e. Road and Rail.
 - 'N'—Accountancy work performed by Newport Goods.
 - NC—There is no one in charge of these stations.
 - O.F.—Other facilities such as loading platform, dock, &c.
 - R.P.—Ramped goods platform.
 - (p)—Shire or Private Weighbridge.
 - 'S'—Accountancy work performed by Sunshine Goods.
 - 'T'—Accountancy work performed by Spotswood.
 - EW—Emergency facilities for watering (an accompanying symbol, explained at foot of page, describes supply). Emergency supply not shown if station has other watering facilities.
 - CW—Facilities for watering carriages available.
 - LW—Bulk water facilities for watering locomotives, tank wagons etc.
 - LCW—Facilities for watering locomotives, tank wagons, carriages etc.
 - (v)—Truck Weighbridge.
 - O—These stations are worked under Caretaker conditions, the employees in charge are authorised to collect freight charges.
 - GS—Goods Shed on passenger platform apart from Vangoos Shed.
 - WL—Wool Loading machine.
 - WP—Wool loading platform.
 - SP—Accountancy Work performed by Spotswood Goods.
 - B—Accountancy Work performed by Melbourne Goods.
 - X—These stations are closed for Parcels traffic of all description.
- The names of stations worked under "Caretaker conditions" are printed in *italics*.

FREIGHT CENTRE OPERATIONS

The following information is to be read in conjunction with Freight Centre Circulars and the Goods Rates Book.

- FC—Freight Centre. Open for goods of all descriptions and acts as a distribution centre for less than wagon load goods to surrounding locations (see Freight Centre circulars).
- FCX—Railway station served from a Freight Centre for all less than wagonload traffic. Traffic to be railed to the relevant Freight Centre but consigned and addressed to the actual destination for delivery by contract carrier. Wagonload traffic will be handled strictly as provided for in Freight Centre circulars.
- fc—Non rail town served from a Freight Centre and open for less than wagonload traffic only. Traffic to be railed to the relevant Freight Centre, but consigned and addressed to the actual destination for delivery by contract carrier.
